

COMMONWEALTH PLYWOOD COMPANY LTD

Wood Fiber Procurement and Chain of Custody Policy

COMMONWEALTH PLYWOOD COMPANY LTD is a fully integrated forest products company committed to the sustainable management of forest resources.

In our wood procurement activities and when processing and distributing our forest products, we pledge not to be directly or indirectly involved in the following situations:

- Illegal logging and illegal trade of forest products;
- Violation of civil or traditional rights arising from laws, agreements, or treaties recognized by governmental authorities;
- Violation of International Labour Organization Conventions;
- Destruction of high conservation value forests;
- Conversion of natural forests into plantations or non-forest uses;
- Use of genetically modified trees.

COMMONWEALTH PLYWOOD LTD is therefore committed to maintaining the necessary control measures to ensure that our customers receive forest products that meet the most rigorous environmental and social requirements.
